

2023 Odd Fellows Scholarship Video Presentation

In an effort to meet the applicants of the Odd Fellow Scholarship and perpetuate the Odd Fellows core values and beliefs of Friendship, Love and Truth, the new requirement is to participant in either a video interactive presentation (if not on the island) or an in-person brief (less than 3 to 4 minutes) at the lodge. Applicants will be asked a series of question regarding their background, field of study and to select one of the following questions to present:

- Explain what Friendship, Love and Truth mean to you:
- What experience do you have with the Odd Fellows and the effect it has had in your life?
- Describe your educational goals and how will it impact the community?
- Explain your community service experience and why did you choose it?
- Explain a time when telling the Truth was difficult and what did you learn from the experience?

The presentation will be done prior to the announcement of the winners as a final requirement of the application process. The community of Odd Fellows will be invited as an opportunity to get to know the scholarship applicants and celebrate their achievements and goals.

Information will be posted on the website as well as in the lodge.
